Alpine, Nordic and Snowboard skiing, including the use of lifts, is a dangerous sport with inherent and other risks. These risks include but are not limited to, variations in snow, steepness and terrain, trail side drop-offs, ice and icy conditions, moguls, rocks, trees and other forms of forest growth or debris (above or below the surface), bare spots, lift towers, utility lines, poles and guy wires, snowmaking equipment and component parts, trail fences and the absence of such fences and other forms of natural or man-made obstacles or other skiers. Trail conditions vary constantly because of weather changes and skier use. These are some of the risks of skiing. All of the inherent and other risks of skiing present the risk of serious and/or fatal injury.

In consideration of using Ski Big Bear's ski facilities, the purchaser or user of this pass agrees to accept the risks of skiing and agrees not to sue Ski Big Bear or its employees if hurt while using the ski facilities regardless of any negligence of Ski Big Bear or its employees or agents.

I agree that all disputes arising under this contract and/or from my use of the facilities at Ski Big Bear shall be litigated exclusively in the Court of Common Pleas of Pike County or in the United State District Court for the Middle District of Pennsylvania.
